Public Website Notice

CMA Licence No. 20200000235

Version 2.0 | Effective Date 17 September 2026

1. Purpose

This policy explains how the Sky Links website uses cookies and similar technologies. It must be read with the Privacy Policy and Data Protection Notice. The live cookie banner and preference centre must reflect the cookies actually deployed.

2. Cookie categories

Category	Purpose	Default
Strictly necessary	Security, network management, consent recording and functions requested by the user.	Active only where genuinely necessary.
Functional	Remember optional language, region or interface choices.	Off until consent where required.
Analytics	Measure visits and performance to improve the website.	Off until consent.
Marketing or advertising	Measure campaigns or track users for advertising.	Off until explicit consent; not used unless disclosed in the live inventory.
Third-party media	Enable embedded maps, video, chat or similar services that may set cookies.	Blocked until consent unless strictly necessary.

3. Consent

Only strictly necessary cookies may be placed without consent where permitted by law. Rejecting non-essential cookies must be as easy as accepting them. No pre-ticked boxes, bundled consent or misleading interface design may be used. Consent is granular, recorded and renewable where required. Withdrawal takes effect for future processing and is available through a persistent preference link.

4. Live cookie inventories

Before publication and after each material website change, Sky Links must run a cookie scan and publish the actual cookie name, provider, purpose, category, first- or third-party status and maximum duration. Generic examples are not a substitute for the live inventory.

5. Browser controls

Users may also delete or block cookies through browser settings. Blocking strictly necessary cookies may affect requested functionality. Browser controls do not replace the website's consent mechanism for non-essential cookies.

6. Changes and contact

This policy is updated when cookie use changes. Questions or rights requests: compliance@skylinkscapitalllc.ae.
