

Risk Disclosure Notice

Sky Links Capital L.L.C.

Public Website Notice

CMA Licence No. 20200000235

Version 3.0 | Effective Date 17 September 2026

Please read this notice before requesting an introduction or entering into an agreement with a third-party financial institution. It supplements, and does not replace, the execution broker's own terms, product documents, costs, conflicts and risk disclosures.

1 Sky Links' limited role

Sky Links Capital L.L.C. holds CMA Licence No. 20200000235 for Category 5 Introduction only. Sky Links may connect a prospective client with a duly licensed financial institution. It does not execute or receive orders, recommend or promote a particular financial product, provide investment advice, assess suitability or appropriateness, manage a portfolio, provide custody, hold client money or assets, guarantee an outcome, or act as principal.

2 Separate responsibility of the execution broker

The execution broker is a separate legal and regulatory entity responsible for account opening, client classification, product governance, disclosures, suitability or appropriateness where required, execution, custody, margin, pricing, reporting and complaints about its services. Verify its identity, licence, regulator, jurisdiction, contractual terms and complaint route before proceeding.

3 General investment risks

- Capital loss: investments may fall in value and you may lose some or all invested capital.
- Market and volatility risk: prices may move rapidly and unpredictably.
- Leverage and margin risk: leveraged products may magnify losses, trigger margin calls or forced closure, and may produce losses beyond the initial payment where the terms and law permit.
- Liquidity risk: a position may not be saleable promptly or at an expected price.
- Counterparty and custody risk: a broker, custodian, issuer or bank may default, fail or restrict access.
- Currency risk: exchange-rate movements and conversion costs may affect returns.
- Technology and cyber risk: outages, latency, fraud, unauthorised access and data incidents may disrupt service or cause loss.
- Legal, regulatory, tax and jurisdiction risk: rights, protections and remedies vary and may change.
- Complex-product risk: derivatives, CFDs and structured products may be difficult to understand and may not be suitable for every investor.
- Past performance and illustrations: past performance is not a reliable indicator of future results; forecasts, examples and modelled returns are not guarantees.

4 Overseas firms and protections

If the execution broker is outside the UAE, it may not be supervised by the CMA. UAE complaint, compensation, insolvency and investor-protection arrangements may not apply. Enforcement of rights may require action in another jurisdiction.

5 Conflicts and remuneration

Sky Links may receive a referral fee, commission or other benefit from an execution broker. This creates a potential conflict. Sky Links manages conflicts under its internal arrangements and provides disclosure required by applicable CMA rules. You may ask for further information about the nature of the relationship and remuneration, subject to applicable requirements.

6 Your responsibility

- Read the execution broker's agreement, product terms, costs and risk warnings.
- Do not rely on website content as advice or a recommendation.
- Assess whether you understand and can bear the risks, including total loss.
- Seek independent financial, legal and tax advice where appropriate.
- Do not send money or assets to Sky Links; follow only verified instructions issued by the execution broker through secure channels.
- Report suspected fraud, impersonation or misleading communication immediately.

7 No exclusion of mandatory rights

Nothing in this notice excludes or limits any duty, liability, consumer right or regulatory protection that cannot lawfully be excluded. A general risk warning does not excuse misleading information, unfair treatment or conduct outside the scope of Sky Links' licence.

8 Complaints and contact

Complaints about Sky Links: complaints@skylinkscapitalllc.ae or +971 4 495 7008. Complaints about an execution broker should also be sent to that broker. The CMA complaint service is available through <https://www.uaecma.gov.ae/en/home.aspx>

Confirmed contact channels

The following contact channels are confirmed for use: complaints@skylinkscapitalllc.ae, compliance@skylinkscapitalllc.ae and +971 4 495 7008.
